Your advisory committee provides valuable assistance to the Board within the many facets of your community including day-to-day operations, community improvements, and most importantly a community sounding board. The role of the committee is to gather information, assess problems and recommend solutions to your Board of Directors. The ultimate goal and relationship between the Board and its' advisory committee is to have a stronger, even more involved community.

An effective HOA, advisory board and property management team is your community lifeline, so if you need a helping hand, have a question(s), looking for more information consult with one of your seasoned advisory committee members.
